

MenaQ7[®]

NATURAL VITAMIN K2 AS MK-7

Unlocking Oil-Based Formulations with New Organic Coconut-Based MCT Oil

- **Sustainable Formulations** are more easily enabled with superior quality material to meet growing demands of mindful consumers.
 - **Palm- and Soy-Free** enhances the first-in-class MenaQ7[®] portfolio, which is also non-GMO certified, vegan friendly, and free from sugar, gluten, dairy, and any known allergens.
 - **Embracing Clean Label** with a short list of ingredients, eliminating unnecessary additives and preservatives.
 - **High-Purity and Transparency** guaranteed with in-house manufacturing at Gnosis European cGMP plant, producing >99% all-trans material while ensuring the safety of supply.
-  Certification of quality, environmental and health, and safety management systems.
- **Proven Stability** of Vitamin K2 as MK-7 in MCT oil, ensuring long shelf life of the product.

Only Clinically Proven K2 as MK-7 for **Bone** and **Heart Health**
